1. 7:05 pm meeting called to order.
2. Meghan Beresford accepted July 12th minutes as written. Martha Hernandez second the minutes. Motion passed per Don Randolph.
3. ***Committee Reports***
 - a. Communications – Posted on website: football and volleyball schedules, football season tickets are available and information on the spirit ads.
 - b. Spirit Items – had a great sale (\$603.00) on Saturday, 8/7, during volleyball scrimmage and parent football meeting. Nancy is working on new t-shirt design for upcoming school year. Discussed the possibility of selling jewelry i.e., bracelets and necklaces with the school colors and "SPARTANS". Nancy brought an example: a sterling silver bracelet that would roughly cost \$27.00. Everyone seemed interested, Nancy will provide more details.
 - c. Concessions – Made a \$790.00 profit from Saturday's vball scrimmages. The menu has been updated and need to have sign re-hung. Need cash to re-stock for Thursday (vball games). Coke is being delivered tomorrow at noon. Need volunteers for Thursday's varsity vball games. JV will donate food for tournament on Thursday (coach's room) and the booster club will provide subway sandwiches.
 - d. Programs and Advertising – Tons of ad's are coming in. The program will be called the "All School Program" so there is space for everyone at the school. We've got quite a few business partners on board, but would like some more. We will be honoring the business ad's from the spring of 2010 in this years program. Parents can purchase a color ad for \$10.00. The sale price for the program has been kept at \$5.00.
 - e. Events – Just FYI, there is a fall and spring banquet for all the kids to get together and celebrate their season. Volunteers will be needed -

please let Tam Cash know if you are interested in helping.

4. **Treasurers Report** - The fireworks stand made \$3,950.00. Booster club has \$7,107.00 in bank right now. This amount will change considerably next month. Please note that the money made from concessions is not listed on the spreadsheet. Had minor issues getting new member information transferred over to bank account and the change from Wachovia to Wellsfargo. The bank is now using the zipper bags to transfer/deposit money rather than in an envelope. Richard is looking into the possibility of getting a credit card for Sam's with a limit to avoid using checks.
5. **Sports Rep.** – new reps for **football**: Alice Gomez, Gina Can Ty and Dawn Albert. The parent football meeting was a great turnout, there are 166 new freshman players. We got 63 new BC memberships from the meeting. There is a scrimmage in Galveston on 8/20. **Volleyball**: Martha James said the tournament we hosted on Saturday, 8/7, went very well - all 4 teams played very well. There is a varsity tournament on Thursday and is needing volunteers. At every home game, we will have concessions and spirit items. **Softball**: Marty Kunz said the softball girls will be playing fall ball starting in September. This is not associated with the school, but would like to have t-shirts with the school name - he's wondering if there are left over spirit shirts from last year that they can purchase or if they can buy the new spirit shirts at cost? Nancy will go through the inventory and let him and Don know. Tam is trying to find a tennis rep and Rosa Pollard said that if no one else wanted to be the swimming rep, that she would be.
6. **Old Business** -
7. **New Business**
 - Introduction of the new sports reps. Don would like to get updated team pics before the ad prints are due. Still need tennis and cross country, volleyball is on the 17th (which will be ok) and football will be good to go.
8. **Next Meeting**
 - a. Date: September 13, 2010
 - b. Place: Cy Lakes High School Commons
 - c. Time : 7:00 pm
9. **Adjourn** @ 7:50 pm
